HOME BANK has some of the most experienced and strategic-thinking bankers in the tri-state area. With total assets nearing $400 million, this locally-owned community bank offers the same technology and services used by the mega-banks... but with a local phone number, a personal touch and a supportive attitude to help you accomplish your goals.

Why Choose Us?

HOME BANK is a locally-owned bank. That means we make decisions right here with an eye on the future of our customer and our community. Because we live here, too, we know more about prospective customers than just the financial numbers that appear on an application. We are your neighbors.

HOME BANK is strong. Strong financially, strong in banking experience, and strong in banking services. Our branch networks service Northeast and Mid-Missouri as well as Western Illinois. HOME BANK regularly receives favorable reviews from within the banking industry as well as from our most important reviewers: our customers.

HOME BANK has a dedicated public funds team that understands your needs. We will work with you to design an overall banking solution that increases efficiency and helps you protect the public interest.

HOME BANK service is second to none. Our customer service representatives greet you with a smile and take as much time as necessary to help you get answers to your questions. During campaign season, our cutting-edge technology allows you to do your banking from the road.
HOMEBA NK has its roots in Palmyra, MO, where Palmyra State Bank was formed in 1934. Branches of Palmyra State Bank were opened in West Quincy in 1971, in Hannibal in 1997, and in Centralia in 2014. Bank of Quincy, located across the river in Illinois, was established in 1999. In 2015, all the banks merged to become HOMEBA NK. A branch was added in Canton in 2017 and a branch in Mexico, MO, will open in 2019.

Today, we continue the intent of our founders to be a bank that instills pride in its communities. We are relevant and supportive members of our towns. Our employees are active civic leaders and the bank participates in many local events and charitable causes.

HOMEBA NK’s corporate headquarters are still located in Palmyra. The bank has assets of nearly $400 million and employs nearly 130 people.

HOMEBA NK exists to help our communities and our customers create, build, and protect their wealth.
